

House of Representatives, US Congress, Oregon's 2nd Congressional District

Eric Burnette :: <https://burnette4congress.org/>

Eric is a former Merchant Ship officer, educated at the California Maritime Academy. He was the Sr. Waterways Planner for the Columbia River, 2007-14 and the Executive Director for the Oregon Board of Maritime Pilots, 2014-17 where Eric worked to keep all Oregon waterways safe. **Eric is endorsed by Our Revolution Southern Oregon, and unions across the district including Teamsters, United Food & Commercial Workers Union, Working Families Party and Oregon AFL-CIO. Practical. Progressive.**

HEALTHCARE: People need access to care, not insurance.

- Doctors' offices instead of ERs
- Fund addiction and mental health services
- VA medical benefits, regardless of discharge status

WORKING FAMILIES: We don't need a tax cut, we need a raise.

- \$15/hr. Federal minimum wage indexed to inflation
- Re-unionize the American workforce

RURAL INVESTMENT: Rural America deserves its fair share of federal investment.

- Modernize infrastructure for agriculture, rural businesses and education
- Universal broadband Access

Michael Byrne :: <http://congressmanbyrne.com/>

Running for Congress in 2018 is the most significant action one could take as a Patriotic American Citizen. With the election of Donald Trump and the ascendancy of Greg Walden, our Nation's Core Values of Due Process, Fair Play and Equal Opportunity have taken a back seat to the wealthy donor class's insatiable greed. Michael Byrne is one of us, A Working Class Champion with over 50 years' experience working and raising a family here in the Gorge.

- A lifetime of Public Service in the public schools
- Coach and classroom volunteer
- An advocate for abused and neglected children in court
- A Special Olympics Coach and Board Member for the Mt Hood Town Hall and Parkdale Specialist Club

Jim Crary :: <https://crary4congress.com/>

My name is Jim Crary, and I want to serve as your US Congressman in Oregon's District 2. I live in the Cascade-Siskiyou National Monument, in the rural Greensprings with my wife Dianna. We have four children, two of whom are teachers. I am a board member of the Greensprings Rural Fire Department, an Army veteran and lifelong hunter. We absolutely must move off fossil fuels, I support a plan to move to renewables by 2035. In office I will prioritize guaranteeing social security, green infrastructure, funding education, collaborative management and of course supporting rural communities. My campaign is financed 100% by individuals. Too often, the influence of campaign donors prevails over voters, and that's why I have a plan to get big money out of politics. I would be proud to earn your vote.

Raz Mason :: <https://voteraz.com/>

I am driven by a spirit of adventure, curiosity, and service. I am a deep-purple Democrat who builds bridges between progressives and conservatives in Oregon's Congressional District 2. With courage, we can bring people together and become even stronger and build more vibrant communities as Oregonians. Oregon's CD2, under my leadership, will see greater attention to the dignity and economic redevelopment of our rural communities. I will also:

- Be a force in support of our vast wind technology and solar power resources
- Secure the integrity of healthcare as a human right
- Take decisive action on climate change by limiting emissions and funding sequestration research
- Address wealth inequality by enacting fair taxation on passive income to fund essential services like healthcare and national debt reduction
- Increase essential education funding to fulfill our generational obligation to posterity

"My Congresswoman is a long-haul truck driver from Harvard!"

House of Representatives, US Congress, Oregon's 2nd Congressional District (continued)

Jamie McLeod-Skinner :: <https://jamiefororegon.com/>

Greg Walden has turned his back and stopped listening to this district. Democrats need to nominate someone who can beat him. Someone honest and engaged. I'm a rural Democrat with family connections in southern, central, and eastern Oregon. I'm the only Democrat with elected office experience, having won two campaigns for city council, and served over 100,000 constituents. My reputation is for being socially progressive, fiscally responsible, and committed to ethics. I know the complexities of governance — as a city planner, regional environmental water planner, and city manager. I've served diverse communities and am committed to protecting DACA recipients and immigration reform. I will push for universal healthcare, living wages, and reasonable gun safety measures. I understand the needs of a rural district like ours. My family is here, my roots are here, and I know that people in this district don't want transplants trying to take advantage of them.

Dr. Jenni Neahring :: <https://drjennineahringforcongress.com/>

Real security comes from knowing you and your family can get quality healthcare when you need it. I have spent years helping people overcome illness. Medicine has gotten better, but people's access to health care and quality of life is getting worse. That's why I'm running for U.S. Congress. Daily, I see patients who are living paycheck to paycheck and are worried about college and retirement. While the Republicans in Congress only focus on helping themselves and corporate lobbyists, not serving the people. **It's time to stop the bleeding.** The threats to Social Security are unnecessary. Healthcare costs could be much lower, and college debt free. What are we waiting for? As a doctor, I took an oath to save lives. I'll take that same responsibility to Washington, D.C.

Tim White :: <http://timwhiteoregoncd2.com/>

I am a Fighter for the 2nd District. Democrats have lost this district decisively ten times in a row because no candidate has successfully demonstrated how little attention Walden gives the district. My strategy is two-fold. First, I will expose Walden, discussing specific legislation he spins as great for the district and country, when in reality it hurts CD2 and America. Second, I will provide specific actions to address the top issues of the district, which are declining employment with livable wages, and a rapidly aging population. While health care is a critical issue, it will not win the district. The top issues for most voters are the continuing lack of living wage jobs in the district, and protecting Social Security and Medicare for our 170,000 retirees. Doing the same thing twice and expecting a different outcome is crazy. We have done it ten times. Let's not make it eleven.

Oregon State Senate, Oregon's District 26

Chrissy Reitz :: <https://www.chrissyfororegon.com/>

A long-time resident of the Hood River Valley, Chrissy is invested in strengthening our communities. A nurse, mom, school board member, and active community volunteer, Chrissy knows that for Oregonians to thrive, we must prioritize education, healthy communities, and our environment. Chrissy lives in Hood River with her husband Max, two children and dog Toby.

Education: Chrissy will fight for stable school funding, higher graduation rates, and access to Career-Technical Education.

Strong Families: Oregonians need access to high-quality, affordable healthcare, family-wage jobs, paid family leave, and safe, affordable housing.

Environment: Chrissy will fight to protect Oregon's natural beauty by promoting policies that balance the economic viability of farmlands with the preservation of natural resources.

Trusted Leader & Advocate

Board Vice-Chair; Hood River County School Board

Board Member; Hood River County Education Foundation, Providence Child Center Foundation

Founder; Gorge Kids Triathlon

Volunteer; Hood River Warming Shelter, Music Festival of the Gorge, SMART

Oregon State House of Representatives, Oregon's State District 52

Aurora Del Val :: auroradelval.com

On 4/9, Aurora del Val announced she would step aside and asked her supporters to vote for Anna Williams to flip Oregon House District 52 from red to blue. For more info, see the *Aurora del Val for House District 52* Facebook post.

Anna Williams :: <https://www.friendsofannawilliams.com/>

Anna Williams is a social worker, teacher, mother, and community builder. She has worked closely with underserved communities through the Local ID program, Meals on Wheels, Veterans Service Office, and Volunteers in Action, a program which matches volunteers to older adults and people with disabilities to meet basic needs and prevent isolation. Her work with the Columbia Gorge Health Council showed her that people across Oregon are struggling to find affordable housing costs and suitable transportation. Anna has worked across systems to craft long-term solutions to common struggles in rural and suburban communities. Her priorities in the legislature are stabilizing school funding, expanding access to affordable healthcare, and passing sensible gun reform to help keep students and communities safe. Anna's social work values and public health lens bring a valuable new perspective to Oregon's House of Representatives.

Hood River County Commission

Rich McBride

The county is going through some difficult times right now and I believe I have can help correct this situation. I have a wide background of experience and rely on that to think outside the box to solve problems and identify opportunities. I served for 7 years on the Port Commission, two of those as chair. Two examples of my influence are the Nichols Basin Park at the waterfront and helping Sheppard's move out of downtown to their new location. I was elected to the County Commission in May of 2016. I want to bring an inclusive style of governing to our county. We need to reach out to our community so they can understand our problems and help us identify solutions. It is time for our county government to change its culture and I believe I can do that more effectively from the chair position. One Hood River.
